

CLEAN & COMFORTING

The happiness that a towel brings

TAIJI | Towel Warmer & Cooler

Combining stylish design with superior technical expertise, the **Taiji HOTCABI towel warmer** and **COOLCABI towel cooler** will help ease your customers in body and mind in an experience of the highest quality. Not only tools for outstanding service in aesthetic treatment salons, spas, beauty salons and similar, the elegant performance of these units will lift any interior space to the next level.

Stack the HC-8 and the CC-8 using the optional joint plate for both hot and cool use in stylish combination. They can be used side-by-side even without the joint plate. The joint plate is available as an option.

HC-8 & CC-8
STYLISH, WARM & COOL

Joint plate (sold separately)
